2700Shell

Increased Value Through Innovation and Security

*The Nautilus Hyosung **2700Shell** provides a new platform for the most reliable and popular cash dispensers ever produced for the retail ATM market. CDUs from NH1500 and later model Nautilus Hyosung retail ATMs can be installed in this versatile retail model. ATM owners gain an up-to-date ATM platform with the latest ATM technology, including an EMV card reader, PCI 3.0 compliant keypad and Windows® CE 6.0 processor while protecting their investment in Nautilus Hyosung CDUs.*

UNIQUE DESIGN

The **2700Shell** offers unsurpassed convenience with an intuitive user interface on a 10.1-inch color LCD screen with touch function key interface. The new ATM provides a highly attractive platform for an existing ATM location or in new locations with higher earning potential.

MAXIMUM RELIABILITY

The **2700Shell** incorporates proven cash dispensing technology widely regarded as the best and longest-lasting in the industry. Modular components allow ease of maintenance and simplified service to ensure maximum availability and uptime with minimal support and intervention.

SECURITY

The **2700Shell** provides a secure UL291 certified business hours safe, e-lock and EMV reader, the same as in the proven NH2700 ATM platform. Advanced security features include open door sensors, optional anti-skimming, and Transport Layer Security (TLS) encryption protocol, which further protect your system from unauthorized access.

COST-SAVING PERFORMANCE

The **2700Shell** application provides the same highly intuitive operator menu program featured on all current Nautilus Hyosung retail ATMs. The new **2700Shell** supports advanced features of MoniView RMS, including remote automatic update of application software and EMV journal upload over affordable Internet or wireless modem connections.

VALUE-ADDED FEATURES

Nautilus Hyosung industry-leading retail ATM applications provide **2700Shell** owners the opportunity to increase value through enhanced transactions, such as Dynamic Currency Conversion (DCC), donations, decimal surcharge, lottery sales and other transactions that add to standard surcharge and fee income.
