

Being the ideal solution for off premise environments, the **5300** offers an advanced design and includes a user-friendly interface displayed on a 15" screen. This full Windows model can handle whatever transaction set you can dream up. Its sophisticated look combined with its high cash capacity make the **5300** series a fantastic fit for both Retail and FI installs.

## KEY FEATURES

---

### HIGHEST AVAILABILITY

The **5300** is designed to provide reliability that is unequalled in the market, with minimum maintenance and maximum uptime.

### HIGH CAPACITY

The **5300** accommodates up to four 2,000 note cassettes for a maximum storage of 8,000 notes.

The **5300** is an ideal solution for off premise environments.

### INNOVATIVE DESIGN

The **5300** features a user-friendly interface displayed on a vivid 15" screen.

### SECURITY OPTIONS

Hyosung ATMs defend against physical and logical attacks with a combination of multi-level anti-skimming, locked down operating system, white-listing, and encryption.

The 5300 is also easily integrated with any monitoring solution to provide seamless data transfer for effective management.
